Makita UB004GZ

40V Max Brushless Backpack Blower

- Comfortable Backpack Design – Lightweight construction with optimised ergonomic design for user comfort. A thick, breathable pad evenly distributes weight, minimising fatigue during extended use.
- 345km/h Air speed – High-performance brushless motor delivers power comparable to a 65cc petrol blower, with up to 19.1 m³/min air volume.
- Powerful blowing force – Up to 32N of maximum blowing force to move even wet leaves and debris.
- Improved Air Intake – 3D intake design minimises blockages from leaves and debris for consistent performance.
- Reduced Recoil – Balanced backpack design reduces recoil and arm fatigue over long periods.
- XPT Protection – Advanced protection technology enhances durability with increased resistance to water and dust.
- Cruise Control – One-touch airflow lock reduces trigger fatigue, supported by a large LED control display.
- Telescopic Nozzle – Stepless adjustment over a 250mm range with secure lock ring.
- Lightweight Design – Weighs just 9kg with 2 x 8.0Ah batteries for maximum comfort even during prolonged use.

Makita UB004GZ	
Air Volume	19.1m³/min
Voltage	40V
Max Air Velocity	96.0 m/s
Overall Length	242 mm
Continuous Runtime	38 min (BL4080H)
Weight (with battery)	9 kg (2x BL4080F)
