

## 43cm Dual Speed Rotary Polisher Code: GH43TS

- For deep cleaning and removing hard-floor coatings and a high-speed machine that is ideal for polishing smooth floors.
- The controls are ergonomically arranged on the steering column. The ergonomic handle can be inclined to suit the height of the user with the help of a pivot joint.
- Two large diameter wheels make it easy to transport the machine, including up and down stairs and on uneven surfaces. The unit cover is extremely corrosion-resistant, even with very heavy use.
- Robust planetary gear for optimum torque and a high level of operational efficiency
- The central drive motor ensures even contact pressure and quiet running of the machine. Simple handling makes it easier for users to operate.
- The accessories can easily be changed. The low-wear connection system (metal to metal) permits durability.
- Power cable holder on the unit
- The abrasion-resistant bumper guard

Includes Pad Drive Board

Optional Scrubbing Brush  
 \$239 (GH00241)  
 Optional Polishing Brush  
 \$249 (GH00242).  
 Optional Carpet Brush  
 \$249 (GH00243)  
 Optional Spray Tank 10L  
 \$229 (GH00330)

Technical Data	
Working Width	430 mm
Underide Height	330 mm
Motor Rating	1000/1300 W
Brush Speed	154/308 rpm
Weight	45 Kg
