Standard accessories: Detachable suction tube, Crevice tool, Upholstery tool, Fleece filter bag (BIA-C, dust class M), Height-adjustable handle.

Features

- Powerful **dual motor** brush-type vacuum cleaner with telescopic suction tube.
- Height-adjustable ergonomic handle and accessories.
- Brush adjustable to depth of pile with indicator light to show operator when brush is set correctly.
- The triple filter system: fleece bag, motor protection filter and exhaust filter (exhaust outlet points downward).
- Filter blocked indicator light.
- Optional HEPA filter for ultra clean air
- Integrated carrying handle
- Electronic brush overload protection prevents damage if the brush is jammed.
- Protection against use without bag or filter.
- Uses disposable fleece or optional cloth bag. Fleece bags have double the dust capacity of traditional paper bags and 10% better retention rate.
- 2 year commercial warranty.
