

Karcher HD 5/12CX Plus

CODE: KHD512CXPlusEASY

- Ideal entry-level model for commercial end users.
- Mobile, compact and with height adjustable aluminium push handle.
- Full shock resistant plastic covering that protects the high-pressure pump from damage and soiling.
- Tidy cable wind up with plug lock and nozzle compartment built into machine body for easy access and storage.
- Three way nozzle (pencil jet, fan jet and low pressure fan) for quick and easy adjustment.
- Cleaning agent metering valve enables cleaning agent to be mixed continuously at low pressure.
- The three-piston axial pump with stainless steel pistons and a brass cylinder head guarantees a long service life.
- The water inlet is made of brass, which makes them highly resistant to fracture and corrosion.
- The pressure switch control switches the motor off automatically as soon as the handgun trigger is released, to permit energy-efficient working.

**Ergo Pistol &
15M Hose on Reel**
