Floortec 560

CODE: NILFloortec560B

Battery Powered Walk Behind Sweeper

Key features:

- Durable polyethylene construction.
- Adjustable ergonomic/fold away handle.
- Large filter for dust free sweeping.
- The handle can be folded for easy transport.
- Bulk waste flap for picking up large debris.
- One piece waste hopper on wheels.
- The brooms can be changed without the use of any tools.
- Filter can be inspected/Changed without tools.
- Manual filter shaker.
- Mechanically linked motor and gearbox reduce maintenance costs and minimise downtime.

With their compact, ergonomic design and easy manoeuvrability the handy Floortec 560 allows you to clean large areas and at the same time get into corners and narrow spaces. That, combined with low noise levels, provides operators with a pleasant work environment.

Space for two batteries extended operation time. Low voltage cut-off system ensures long battery life by protecting batteries from deep discharge.
