

Turbo Hybrid 12" & 15" Hard Surface Tools

The Turbo Hybrid tile and grout cleaner blasts grime from tile and grout, and any hard surface. The arm spins to blast soil away, while the vacuum port removes the excess waste. The Tile and Grout Cleaner is totally compatible with all truck mount and extraction carpet cleaning machines.

Specifications

- Cleans uneven stone or tile surfaces and smooth concrete.
- Light-weight and extremely portable.
- Great design allows machine to slide over surfaces.
- Comfortable grips let you work easier for longer.
- Lightweight trigger system.
- Super flexible design for tough to reach places.
- The stiff nylon brush is great for stone and concrete.
- Teflon head great for tiles
