Meet Henry Cordless, he's just like the Henry we all know and love with the added convenience of cordless cleaning, take your favourite machine anywhere, without restraint.

- Henry is always ready to go, and is supplied with **Two 36 Volt Battery Packs** which are fast and easy to change with one click as well as a **Simple & Clear Battery Indicator**.
- **No Plugging Or Unplugging** saves time and makes those quick and unexpected clean-ups so much easier.
- **Ideal for busy environments** where corded machines present a tripping hazard such as **offices, hospitals, shopping centres, aged care facilities and airports**.
- With a generous **6 Litre Capacity**, you'll be just as ready for the bigger clean-ups too.
- **2 Speed Power Selection** - A quick switch to high mode and Henry delivers even more cleaning performance, just when you need it.
- Henry's **On-Board Tool Storage & Wand Docking** keeps everything neat and tidy with his handy tools close to hand when you need them. And when you've finished the job Henry is ready whenever you need him next.
- Easy to vacuum around the office or shop without getting a cord caught on desks, shelving, displays or furniture.
- Perfect for daytime cleaning in offices, this vacuum has a **Low Noise Level**, and **No Cords** to get in the way of your staff reducing the risk of **OH&S/WSH** issues.
- Henry's **TriTex Filtration System** improves filtration, cleanliness and capacity whilst the high-efficiency **HepaFlo Bags** are easy to change.
- Includes a **Full Professional Accessory Kit As29e** with a tool for every job and stainless steel tube set.
