

HH3017 Petrol Pressure Washer

- One of Kerrick's hottest sellers the Honda 3000 psi HH3017 leaves nothing to be desired.
- The industrial grade roll frame with lifting point, 13HP Honda motor and triplex pump with ceramic plungers makes this pressure washer ideal for the tough jobs and situations where industrial grade cleaning is required.
- Electric start option is available
- Popular with the hire, construction industries due to its rugged nature, this pressure washer also has a 2:1 gear box and slow rpm pump which improve the overall product lifespan making it a solid investment.
- Manufactured in Australia for Australian conditions, this is a grunty unit that will give you serious value for money.
- New zinc plated rust resistant roll frame.
- Large pneumatic wheels for easy movement.
