

Jumbo Hot Water Pressure Washer

- A beast of a machine the Jumbo hot water pressure washer is large heavy duty cleaner that annihilates dirt, fat, grease or anything else that gets in its way. Ideal for the industrial sector this machine gets the job done quickly and gets it done properly
- The Jumbo has a powder coated steel frame and is designed to give easy access for maintenance. It also comes with four lifting eyelets, low fuel indication/cut-out, chemical metering valve and many more great features.
- The stainless steel cover gives long lasting protection to your investment and the low speed Interpump ceramic plunger pump offers much longer operational life than older style high speed machines.
- High efficiency vertical boiler and double helix 3/8 steel coil
- High pressure detergent application and steam valve as standard
- Low fuel indicator
- Powerful 3 phase 415V unit
