

High capacity cleaning

- tough and durable scrubber dryer

Productive cleaning for large areas

The Viper FANG32T is the optimal solution for scrubbing and drying large congested areas where a ride on scrubber dryer can't go. The wide cleaning path along with the big tank capacity ensures a high level of work autonomy required in large areas and dirty environments.

The machine is easy to use with variable scrub pressure you can quickly adjust to your specific cleaning needs. For challenging areas just add more scrub pressure and cleaning solution.

Furthermore, the machine has a transaxle drive system with variable speed drive.

- Rugged and durable machine
- High maneuverability thanks to foam filled wheels and traction system
- Adjustable scrub pressure
- Large tank capacity and cleaning path allows high level of work autonomy

Traction and foam filled wheels for high maneuverability

Adjustable brush pressure

Productive large capacity tank and wide cleaning path of 80 cm

Technical specifications

Description	FANG 32 T
Solution/recovery tank (l)	115/106
Squeegee width (cm)	102
Scrubbing width (cm/inch)	80/32
Brush/pad pressure (kg)	up to 91
Coverage rate (m ² /h)	3211
Brush motor (Watts-tr/min)	740-200
Vacuum motor 3 stages (Watts)	650
Gross weight (kg)	326
Length x Width x Height (mm)	1690x1050x1090
Reference	50000198

Included accessories

	FANG 32 T
Pad driver	VF84329(x 2)
Poly scrub brush	VF84330 (x 2)
Front PU blade	VF84207
Rear PU blade	VF84208
Charger HF 36V 25A S	80543626
Key switch kit	VF82153
