

ROTOVAC

Rotovac 360XL

Rotary extraction power head

Code: STERV360XL

The Rotovac 360XL is a Patented Rotary Extraction Power Head that utilizes rotary vacuum heads to thoroughly deep clean carpet with hundreds of multi-directional cleaning passes. The 360XL weighs only 28.5 kg and is extremely easy to use as it operates in a self propelled side to side motion. Simply stated, "The 360XL cleans better with less effort."

The Rotovac 360XL is air flow calibrated to work with most portable extractors or any truck mount extractor. Give your business a boost and your back a break by hooking up the 360XL to your existing portable or truck mount.

Features:

- Cleans better with less effort and leaves carpet drier than a wand
- Large 15"/35cm wide cleaning head
- High torque motor with tough helical reduction gearing
- Patented Swoop Glide™ vacuum ports
- Telescoping handle for compact storage
- 144 RPM
- 25 kg (without cleaning head) 28.5 with head
- Rugged cast aluminum frame
- 2"/50mm clear view tube
