CODE: MKXDPW4000DD

2 in 1

Pressure Wand and
Rotary Surface Cleaner

1000 to 4000
PSI

Adjustable Pressure

3x

Cleans 3x Faster

Your Ultimate All-in-One Pressure Washing Solution. This remarkable machine combines a pressure wand and rotary cleaner, offering adjustable pressure control from 1000 to 4000 psi. Tackle a heavy-duty job with ease. It boasts an impressive 3x speed in coverage compared to rivals, ensuring efficiency like never before. Safety is paramount, with advanced features like a front wheel lock to prevent rolling. Switch effortlessly between rotor and wand through a simple handle turn. Packing up is a breeze with the foldable handle, while the 24"/610mm precision-made surface cleaner, hose reel, and large wheels add practicality.
