

IPC PW-H50/1310

The PW-H50 is an effective and reliable **hot pressure washer**. Its delivering performances “ up to 10 l/min and 130 bar “ ensure great results even in the hardest cleaning operations.

Thanks to IPC's exclusive boiler, the PW-H50 offers the best heating capacity in any working conditions. The new design of this **hot water power washer** allows to reduce significantly the machine maintenance costs.

The PW-H50 is ideal to wash vehicles like trucks and tractors or to **clean hard floors and surfaces**.
