Australian Made & Owned

ECLIPSE

Eclipse is a low foaming laundry powder suitable for general purpose laundering of garments or as a presoak for heavily soiled laundry. Eclipse can be used in hot or cold water, in top or front loader machines and is suitable for all types of linen (excluding wool).

Eclipse ensures maximum cleaning performance on all soils encountered leaving fabrics clean with a fresh residual fragrance.

Eclipse is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

FEATURES & BENEFITS

- Concentrated powder 100% active
- Provides a quality low cost wash
- Controlled foam characteristics
- Suitable for top and front loading machines
- Excellent cleaning results in hot or cold water
- Provides flexibility of wash temperature and energy savings.
- Contains a speciality substantive perfume
- Leaves a fresh residual fragrance on the fabric
- Contains water softeners
- Suitable for all hard water conditions

DIRECTIONS FOR USE

Do NOT add Eclipse Concentrated Laundry Powder direct to clothes undiluted.

Machine Washing:

1. Dilute Eclipse Concentrated Laundry Powder in cold to warm water
2. Use 1 scoop (Approx 65g) for a normal 5kg wash load. For heavy soil, use 2 scoops (Approx 130g) for a 5kg wash load
3. Rinse items well then air dry

1 Regular Soil appox 65g
2 Heavy Soil appox 130g

As A Pre-Soaker:

1. Dilute 1 scoop into 10 litres of water
2. Soak for 2 hours to overnight
3. Wash items under normal conditions

1 1 Scoop — 10L — 2+ HRS
