# X Ride 28

## 28" Rider Carpet Extractor

## General Overview

- The X Ride 28 is a 28" rider carpet extractor
- Clean large carpeted areas quickly and efficiently while the operator rides in comfort
- Quick one pass cleaning, scrubs and vacuums up water

## Productivity

- The X Ride covers up to 9,060 sq. ft. per hour (842 $m^2$)
- Large Solution and Recovery tanks allow for less time filling or emptying
- Small, compact design allows for cleaning even in tight spaces
- Off-aisle wand allows for cleaning where the machine cannot go

## Ease of Use

- Easy-to-understand controls ensure that the machine is simple to operate
- Compact, ride-on design results in total operator comfort by focusing on ergonomics
- Sleek design provides an excellent line of sight to the area to be cleaned

## Markets

- Airports
- Convention Centers
- Office Buildings
- Healthcare
- Retail
- Building Service Contractors
- Casinos
- Hotels and Resorts
- Government Facilities
- Schools and Universities

## Key Features

- Cylindrical scrubbing action cleans both sides of the carpet fiber
- 27 gallon solution tank and 24.5 gallon recovery tank
- Two nozzle modes :
  Interim - 1/2 gallon per minute @ 50psi
  Restorative - 1 gallon per minute @ 100psi
- Convenient drain port for recovery tank clean-out
- When the on-board charger is plugged in, the machine is not operable
- Off-aisle recovery wand and 25 foot of hose mounted on-board
- AGM maintenance-free battery pack

## GREEN Features

- Sound level $\leq$ = 70dBa
- AGM maintenance-free batteries
- Tool free brush removal
- Easy-to-understand operation controls
- Ergonomically designed for operator comfort
- Seat sensor shuts off unit once operator leaves platform
- On-board vac & solution wand for maximum water pickup
