i-mop 36

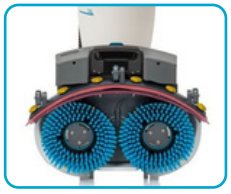

Compact scrubber dryer

The most compact device in the i-mop family, the i-mop 36 excels at home or work, providing effortless cleaning of small to medium spaces.

PowerVac
CLEANING EQUIPMENT & SERVICE

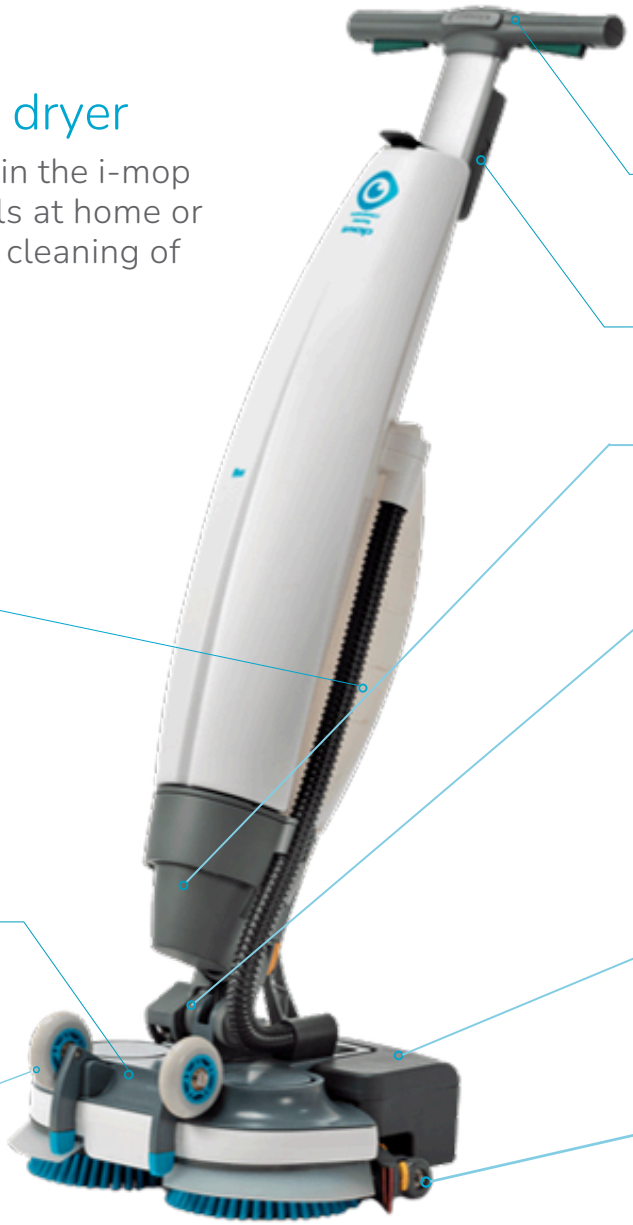

Modular dock design
For easy service and quick repairs.

Exceptional power
With 350 rpm brush speed, i-mop 36 cleans 75% faster than traditional mopping and 20% faster than comparable scrubber dryers.

Extreme mobility
Low profile deck to clean underneath objects and 360 degrees of flexibility.

Easy to use
Simple, easy to understand push button controls

Diagnostics Lights
To improve trouble shooting

Brushless vacuum motor
For extended lifespan and quieter operation.

i-balance
Stabilizes the machine which reduces body strain.

Battery operated
Utilises portable lithium-ion batteries, eliminating trip hazards from power leads.

Easy transport
It comes with wheels for transport, folds up for storage and is compact enough to store in a cupboard anywhere.
