Small in size
Big on power

The vac 5 is a powerhouse machine that gets the job done. A well trusted name in the community. The vac 5 has surprised every user with it's proven mobility, design and power. The vac 5 is used for offices, carpet cleaning, households, cabinets, wardrobes, and much more.

PowerVac
CLEANING EQUIPMENT & SERVICE

Key features

Canister & more

Egg shaped canister for optimal working in smaller areas and close-to-body carrying. Equipped with a lighted on/off switch, so that you can easily troubleshoot over the phone in case of power failures or any other technical difficulties. Also includes a detachable power cord.

Bag with lock

5 liter bag volume with a lock to avoid dust leakage when taking out the bag. You can choose between a paper bag, or a microfiber bag.

3 piece wand & flexible hose

Double extrusion for extra stability at both ends, as they are the most stressed areas.

Integrated tool holders

All of the accessories and necessary equipment supplied with the machine can be stored on the machine.

Carry-on everywhere

A sturdy and ergonomic main handle provides a freedom of mobility you haven't experienced before. The vac 5 goes wherever you go!

The perfect **cleaning tools**

With the use of a vac 5 you make the most of every cleaning session. The vac 5 has a wide reange of vacuum attachemtns, for different floor types, the hard to reach nooks and upholstery cleaning.

WARRANTY 1 year
